STAR Performer!

Certificate of Appreciation

awarded to
Officer Kenneth Geib,
Lancaster County Prison

On Tuesday, November 1, 2016, at approximately 4:55AM, Officer Geib was reporting for duty and had just entered the prison parking lot when he observed a 'near' accident on King Street involving a car that was going the wrong direction on the one-way street. Without regard to personal safety, he immediately responded to the incident. He found an elderly man in the vehicle that was going the wrong way and who was visibly confused and frightened. He identified himself to the man, reassured him, and guided him into the prison parking lot. Once there, he assisted him in parking, turning off his vehicle, and removing his seatbelt. The man explained he was lost and trying to find his way back to Newark, Delaware. The man was following an ambulance that was transporting his wife to the hospital. Officer Geib stayed with the man, learned his name, and using paperwork he found in the man's vehicle, was able to identify a family member to contact. When Officer Geib offered to assist the man, he became visibly more at ease and calm. From here, Officer Geib's Supervisors contacted the city police and were able to get the man to a relative's house. For his selfless and compassionate act, Officer Kenneth Geib will be presented with a STAR Award.
