

Hunting Guide to Lancaster County Parks

The Lancaster County Department of Parks and Recreation manages nine parks throughout the County. However, hunting is allowed within designated areas in only three parks:

- **Chickies Rock Park***
**Archery Only*
- **Money Rocks Park**
- **Speedwell Forge Park**

Hunting is not permitted in any of the other parks. During hunting season, many non-hunters also use Chickies, Money Rocks, and Speedwell Forge Parks.

So, please be careful as children, dog walkers, and others may be enjoying the park in the same area you are hunting.

Free hunting maps are available in the Park Office, Rangers' Station, and Shuts Environmental Library and can be printed from the department website at www.lancastercountyparks.org.

Rules and Regulations

- Only licensed hunters are permitted to hunt on park property.
- All hunters must follow both the Pennsylvania Game Code and Lancaster County Park Rules and Regulations. Rules and Regulations are posted at the entrance to every county-owned park and can also be printed from the Park Ranger pages at www.lancastercountyparks.org.
- Only shotgun, muzzle loader, and archery hunting is permitted (*Archery only in Chickies Rock County Park*).
- Temporary tree stands are permitted, except for stands that would damage any part of a tree.
