Voting yes: President Judge Reinaker, Commissioner Parsons, Commissioner Stuckey, and Controller Hurter

Voting no: Commissioner Lehman

The motion carries 4 to 1.

Commissioner Lehman voted no stating that given the limited number of hours needed for this function it makes more sense to revise the appropriate existing

job descriptions and add this function as an additional duty and then adjust those salaries consistent with the Salary Administration Plan thereby eliminating the need for these part-time positions. He also referenced a prior decision where a few County employees hold two job titles while doing this same work which, he believes, has skewed the job market for these part-time positions.

Craig Stedman, District Attorney's Office, requested approval to reclassify the Civilian Computer Forensic Analyst position (504275) within the County Detectives Digital Forensic Unit from a Grade N21 to a Grade N23 with approval to advertise the position with a starting salary negotiable dependent upon experience relative to the requirements of this position in order to attract qualified applicants, effective January 7, 2019. Following discussion, District Attorney Stedman moved to approve. Commissioner Stuckey seconded. The motion carried unanimously.

Judith Erb, BH/DS, made the following requests:

Requested an exception to the 2019 Salary Administration Plan be granted to eliminate any pay reduction for the transfer and voluntary demotion of employee Brian Bedard (21822) as he is moved from Senior Caseworker Position 502411, Grade N22, to Caseworker Position 503528, Grade N18 in order to meet the operational needs of the BH/DS Mental Health Case Management component, effective January 21, 2019. Employee would maintain his current annual salary of \$40,809.10. Following discussion, Commissioner Parsons moved to approve. Controller Hurter seconded.

Voting yes: Commissioner Parsons, Commissioner Stuckey, and Controller Hurter

Voting no: Commissioner Lehman

The motion carries 3 to 1.

Commissioner Lehman voted no stating that this matter should be handled consistent with the implementation of the Compensation Study combined with the intent of Salary Administration Plan as it relates to changes in grade.

Following discussion, Commissioner Stuckey moved to approve. Commissioner Lehman seconded. The motion carried unanimously.
