

Lancaster County Drug & Alcohol Commission Case Management & Clinical Services Policy and Procedure Manual	CMCS # 1 Policy: Application of the LCDAC Case Management/Clinical Services P&P's
Most Current Revision: 07/01/2021 Effective Date: 07/01/2020	Page: 1 of 1

**I. Purpose:**

To establish protocols and identified time periods for those contracted service providers providing LCDAC Case Management/Clinical Services.

**II. Procedure:**

The Lancaster County Drug & Alcohol Commission (LCDAC), often referred to as the SCA or "Single County Authority", has contracted with the Department of Drug and Alcohol Programs (DDAP) to oversee and/or carry out the administration, implementation, and completion of drug and alcohol services within Lancaster County.

The Case Management unit is one of the divisions within LCDAC.

These policies are specific to those providers contracted by LCDAC to provide case management and/or clinical services.

During the time an individual is funded using LCDAC monies for case management and/or clinical services, the most current versions of the posted LCDAC policies/procedures shall be utilized.
