County Controller Announces Certificate of Achievement for Financial Reporting

Lancaster, PA – Lancaster County Controller Lisa Colón announced the County of Lancaster was awarded the Certificate of Achievement for Excellence in Financial Reporting for its annual comprehensive financial report for the fiscal year ended December 31, 2021, by the Government Finance Officers Association of the United States and Canada (GFOA).

The GFOA established the Certificate of Achievement for Excellence in Financial Reporting Program in 1945 to encourage state and local governments to go beyond the minimum requirements of generally accepted accounting principles and to prepare annual comprehensive financial reports that evidence the spirit of transparency and full disclosure and then to recognize individual governments that succeed in achieving that goal. The County of Lancaster’s Annual Comprehensive Financial Report has been judged by an impartial panel to meet the high standards of this program.

The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

In addition, the Controller’s Office received an Award of Financial Reporting Achievement for its role in the achievement of the Certificate.

“The County of Lancaster is honored to receive the Certificate of Achievement from GFOA, and as Controller, I would like to congratulate my team on their hard work and diligence in presenting financial information that is both accurate and beneficial to the citizens of Lancaster County.” stated Lisa Colón, County Controller.
