d. Specialized Training- Investigations: In addition to the general training provided to all staff members pursuant to Section (VII)(a) of this Policy, the PREA Compliance Manager and any Lieutenants, Investigators, Sergeants, or other Prison staff members who assist in completing internal and administrative investigations must complete and pass the National Institute of Corrections online PREA training “Investigating Sexual Abuse in a Confinement Setting.” This training includes techniques for interviewing sexual abuse victims, proper use of Miranda and Garrity warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or referral for prosecution. Each investigator must submit a copy of the certificate of completion provided at the end of the training to his or her supervisor verifying successful completion of the training. §115.34(a),(b),(c)

e. Specialized Training: Medical and Mental Health Care:
   i. PrimeCare Medical, Inc. is the contracted medical service provider for the Lancaster County Prison. PrimeCare requires all staff members to undergo training on PREA and the accompanying regulations. The Prison will keep on file a copy of the training provided to medical staff and the training roster. §115.35(a),(c). Medical staff who have contact with inmates must be trained in the following:
      1. How to detect and assess signs of sexual abuse and sexual harassment; §115.35(a)(1)
      2. How to preserve physical evidence of sexual abuse; §115.35(a)(2)
      3. How to respond effectively to juvenile victims of sexual abuse and sexual harassment; §115.35(a)(3) and
      4. How and to whom to report allegations of sexual abuse and harassment. §115.35(a)(4)
   ii. Medical staff at the Prison will not conduct forensic examinations. All victims of sexual assault, where medically and evidentiarily appropriate, will be taken to Lancaster General Hospital for a medical examination with a SAFE or SANE (See Appendix E). §115.35(b)
   iii. Medical and mental health care practitioners will also be required to complete the Prison’s volunteer and contractor training and to sign the PREA Volunteer/Contractor Training Acknowledgment Sheet (Appendix H) verifying successful completion of these requirements. §115.35(d)

VIII. SCREENING FOR RISK OF SEXUAL VICTIMIZATION AND ABUSIVENESS

a. Screening for Victimization and Abusiveness
i. All inmates will be assessed during an intake screening conducted by the PREA Counselor for their risk of being sexually abused by other inmates or sexually abusive towards other inmates. Within seventy-two (72) hours of arrival at the Prison, as part of the intake process, inmates will be assessed using the Prison’s PREA Risk Assessment Tool (Appendix N). If the PREA Counselor is unavailable, such as over a long-weekend or on a holiday, commitment officers are responsible for completing the initial risk assessment. Any commitment officer who completes an initial risk assessment must immediately forward the results to the PREA Counselor. §115.41(a),(b),(c)

ii. The intake screening, at a minimum, will consider the following criteria:
   1. Whether the inmate has a mental, physical, or developmental disability; §115.41(d)(1)
   2. The age of the inmate; §115.41(d)(2)
   3. The physical build of the inmate; §115.41(d)(3)
   4. Whether the inmate has previously been incarcerated; §115.41(d)(4)
   5. Whether the inmate’s criminal history is exclusively nonviolent; §115.41(d)(5)
   6. Whether the inmate has prior convictions for sex offenses against an adult or child; §115.41(d)(6)
   7. Whether the inmate is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender nonconforming; §115.41(d)(7)
   8. Whether the inmate has previously experienced sexual victimization; §115.41(d)(8)
   9. The inmate’s own perception of vulnerability; §115.41(d)(8)
   10. Whether the inmate is detained solely for civil immigration purposes; §115.41(d)(9)
   11. Prior acts of sexual abuse, prior convictions for violent offenses and history of prior institutional violence or sexual abuse, as known to the Prison. §115.41(e)

iii. Within thirty (30) days of the initial intake, the PREA Counselor will reassess the inmate’s risk of victimization or abusiveness using the PREA Risk Assessment Tool (Appendix N) based upon any additional relevant information received since the intake screening. §115.41(f)

iv. An inmate’s risk level will be reassessed by the PREA Counselor when warranted due to a referral, request, incident of sexual abuse, or upon receipt of additional information that bears on the inmate’s risk of sexual victimization or abusiveness. §115.41(g)

v. An inmate may not be disciplined for refusing to answer an inquiry or for not disclosing complete information in response to the questions in the PREA Assessment Tool (Appendix N) related to Sections VIII(a)(ii)(1), (7), (8), or (9) of this Policy. §115.41(h).

vi. The completed PREA Risk Assessment Tool (Appendix N) will be kept in the inmate’s Behavioral File. PrimeCare Medical will also be notified if the assessment reveals that the inmate is in need of medical care or guidance. §115.41(i)

b. Use of Screening Information

i. The Prison will use information from the screening to inform housing, bed, work, education, and program assignments with the goal of keeping separate those offenders at high risk of being sexually victimized from those at high risk of being sexually abusive. Inmates that at high risk of being sexually abusive will never be housed in the same cell with or given work or program assignments where they would have access to inmates at
high risk of being sexually victimized. Likewise, inmates at high risk of being sexually abusive will not be permitted to attend work or program assignments which would allow them to interact with youthful inmates. Outside of these parameters, all other housing determinations and work, education and program assignments will be made on a case-by-case basis by classification and security supervisors taking into account risk assessment information as well as other factors (such as the inmate’s assigned security level, his or her medical and programming needs, etc).

i. Only counselors and supervisors are able to view an inmate’s screening information in the Prison’s electronic case management system. §115.42(a).

iii. The Prison will make individualized determinations about how to ensure the safety of each inmate. §115.42(b)

iv. The Prison will not place lesbian, gay, bisexual, transgender or intersex offenders in dedicated facilities, units or wings on the sole basis of such identification or status. §115.42(g)

c. Transgender and Intersex Inmates

i. Upon arrival at the Prison, transgender and intersex inmates will be sent for a medical evaluation, which will include a physical examination, an interview, and a review of the inmate’s medical records. Information provided by PrimeCare as to the inmate’s at the inmate’s gender identification and genital status will be used in conjunction with information obtained from the Risk Assessment in making housing and programming assignments. In deciding whether to assign a transgender or intersex inmate to a unit for male or female offenders, and in making other housing or programming assignments for him or her, the Prison must consider on a case-by-case basis whether a placement would ensure the inmate’s health and safety, and whether the placement would present management or security problems. Specialized decisions regarding transgender or intersex inmates will be made by the Warden and PREA Compliance Manager in conjunction with the mental health and medical departments. §115.42(c)

ii. Placement and programming assignments for transgender or intersex inmates will be reassessed at least twice a year to review any threats to safety experienced by the inmate. §115.42(d)

iii. A transgender or intersex offender’s own views with respect to his or her safety and gender identity will be given serious consideration when making housing assignments. §115.42(e)

iv. Transgender and intersex inmates will be given the opportunity to shower separately from other offenders. §115.42(f)

d. Protective Custody

i. Inmates at high risk of sexual victimization will not be placed in involuntary segregated housing unless an assessment of all available alternatives has been made and there is a determination that there are no available alternative means of separation from likely abusers. If an inmate is placed in involuntary segregated housing due to high risk of sexual victimization, the basis for the Prison’s concerns for the inmate’s safety and the reason why no alternative means of separation can be arranged will be documented using an Situation Report. The Situation Report must be forwarded to the PREA Compliance Manager and a copy will be placed in the inmate’s Behavioral File. §115.43(a),(d); §115.68
ii. If an inmate is placed in segregated housing because he is at high risk of sexual victimization, he will be given access to programs, privileges, education and work opportunities to the greatest extent possible. Any restrictions on these opportunities must be documented on a Situation Report and documentation must include the opportunities that have been limited, the duration of the limitation, and the reasons for the limitation. The Situation Report must be forwarded to the PREA Compliance Manager and a copy will be placed in the inmate’s Behavioral File. §115.43(b)

iii. Inmates at high risk of sexual victimization may only be assigned to involuntary segregated housing until alternative means of separation can be arranged. Every thirty (30) days, the Prison’s PREA Counselor will review each inmate segregated pursuant to this Section to determine whether there is a continuing need for separation from the general population. Ordinarily, assignments to involuntary segregated housing pursuant to this Section should not exceed thirty (30) days. §115.43(c),(e)

IX. REPORTING

a. Inmate Reporting

i. All inmates of the Lancaster County Prison are encouraged to report sexual abuse and harassment, retaliation by other inmates or staff members for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may contribute to such incidents. §115.51(a). Methods of reporting include the following, all of which are outlined in the General Rights and Responsibilities document (Appendix L) provided to all inmates during the intake process:

1. Verbal reports to staff members, contractors (including chaplains and medical/mental health practitioners), or volunteers;
2. Written Inmate Requests (can be given directly to the inmate’s assigned Treatment Counselor or placed in the Inmate Request Box); and
3. Verbal reports made using the Pennsylvania Department of Corrections’ “PREA Hotline.”

ii. The PREA Hotline is operated by the Pennsylvania Department of Corrections, a third party entity unaffiliated with the County of Lancaster, which is authorized to receive reports of sexual abuse and harassment made by inmates at the Prison. A letter from the Department of Corrections indicating that this service has been established is attached to this Policy as Appendix O. Inmates calling the PREA Hotline may chose to remain anonymous upon request. The telephone number for the PREA Hotline is listed in the General Rights and Responsibilities document (Appendix L), included in the Sexual Assault Awareness Brochure (Appendix I), and provided on the PREA Inmate Poster (Appendix M), which is displayed throughout the facility, near each inmate telephone bank, and on each housing block. §115.51(b)

iii. Inmates detained solely for civil immigration purposes shall be provided with information on how to contact relevant consular and Department of Homeland Security Officials. Any inmate detained solely for these purposes will meet with the PREA Counselor, at which time she will provide him or her with this information. §115.51(b).

iv. Prison staff members must accept reports made verbally, in writing, anonymously and from third parties, and will promptly document any reports received using a Situation Report. A copy of the Report will be forwarded to the PREA Compliance Manager,
placed in the inmate’s Behavioral File and uploaded to the PREA Investigative and Reporting Module. §115.51(c)

v. Prison staff can privately report sexual abuse or harassment directly by contacting the Warden, the Deputy Wardens, the PREA Coordinator or the PREA Compliance Manager via telephone, email or voice mail. All reports will be treated with extreme confidentiality. §115.51(d)

b. Exhaustion of Administrative Remedies: Inmates should not utilize the Prison’s grievance procedure to report sexual abuse or harassment. If an inmate files a grievance related to sexual abuse or harassment, the Treatment Counselor who receives the grievance must immediately forward it to the PREA Compliance Manager for investigation. The inmate will be notified of this action. This will be considered an exhaustion of administrative remedies. §115.52

c. Inmate Access to Outside Confidential Support Services

i. Any inmate seeking emotional support services related to sexual abuse is encouraged to contact the YWCA of Lancaster (Appendix F). The mailing address and toll-free hotline number for the YWCA of Lancaster are included in the Sexual Assault Awareness Brochure (Appendix I). Calls to the YWCA of Lancaster can be made from any of the inmate telephones and will not be recorded. An inmate may also request to place the call from his or her assigned Treatment Counselor’s office. §115.53(a)

ii. Inmates are also informed that certain reports, particularly those made by youthful offenders, may be forwarded to outside authorities pursuant to mandated reporting laws. §115.53(b)

d. Third-Party Reporting: Third party reports of sexual abuse and harassment can be made by calling the Department of Corrections’ PREA Hotline. The telephone number for the PREA Hotline and information on how to make a third-party report will be posted on the Prison’s website and provided to members of the public through the PREA inmate Poster (Appendix M) displayed in the Prisons’ Main Lobby and in the visitation area. §115.54

X. OFFICIAL RESPONSE FOLLOWING AN INMATE REPORT

a. Staff and Agency Reporting

i. All Lancaster County Prison staff members are required to immediately report any knowledge, suspicion or information regarding sexual abuse or sexual harassment that occurs in the facility; retaliation against inmates or staff members who reported such an incident; and any staff member neglect or violation of responsibilities that may have contributed to an incident or retaliation. A Situation Report must be submitted to the Security Supervisor and forwarded to the PREA Compliance Manager. §115.61(a)

ii. Apart from reporting to designated supervisors or officials, staff members may not reveal information related to a sexual abuse report to anyone other than to the extent necessary, as specified in this Policy, to make treatment, investigation and other security and management decisions. §115.61(b)

iii. Unless otherwise precluded by Federal, State, or local law, medical and mental health practitioners must report institutional sexual abuse to the PREA Compliance Manager pursuant to this Policy. Said practitioners should inform inmates of the duty to report and the limitations on confidentiality at the initiation of services. §115.41(61)(c)

imminent sexual abuse, it must take immediate action to protect that inmate. Such actions may
include, but are not limited to, removing the alleged staff member or inmate abuser from
contact with the victim and making changes to housing, work, education or other program
assignments. §115.62

c. Reporting to Other Confinement Facilities

i. Upon receiving an allegation that an inmate was sexually abused while confined at
another facility, the Warden of the Lancaster County Prison will notify the warden of the
facility where the abuse occurred within seventy-two (72) hours of receiving the
allegation. A Situation Report will be written and signed by the Warden that contains
documented details of the notification. A copy of the report will be retained by the PREA
Compliance Manager. §115.63(a),(b),(c)

ii. If the Prison receives notification that an inmate was sexually abused at the Lancaster
County Prison from another facility, the report will immediately be referred to the PREA
Compliance Manager and the incident will be investigated and/or referred to law
enforcement pursuant to this Policy. §115.63(d)

d. Coordinated Response

i. Response to a Report of Sexual Abuse §115.65

b. Preserve and protect the crime scene until law enforcement can be
contacted and take appropriate steps to collect any evidence;
§115.64(a)(2)

c. If the abuse occurred within a time period that still allows for the

e. If the first staff responder is not a security staff member, the responder is
required to request that the alleged victim not take any actions that could
destroy physical evidence, then to notify the Security Supervisor
immediately. §115.64(a)(5)
2. Security Supervisor Responsibilities after Receiving Report of Abuse
   a. After receiving a report of abuse from a staff member, the Security Supervisor must immediately initiate any necessary action, or verify that all action has been taken, to protect the physical evidence and to ensure the safety and welfare of the alleged victim. The Security Supervisor may initiate a temporary administrative reassignment of the alleged victim and/or perpetrator to protect the victim.
   b. The Security Supervisor will contact the PREA Compliance Manager and notify him of the allegation. If the PREA Compliance Manager is not immediately available, or if the allegation is received outside of normal business hours, the Security Supervisor will contact either the Lancaster City Police or the Lancaster County District Attorney’s Office. (See Appendix D)
   c. The YWCA of Lancaster will be contacted and notified of the incident and, at the request of the victim, a victim advocate will be supplied to provide emotional support, crisis intervention information, and referrals, and to accompany the victim through the forensic medical examination process and any investigatory interviews. (Appendix F).
   d. The Security Supervisor or his designee, who has completed the Specialized Investigations Training, will immediately question the victim to determine whether there is a suspect, when and where the assault occurred, and to obtain any additional facts that warrant further investigation.
   e. The alleged victim will be transported to the Medical Unit, and, if warranted by the situation, will be taken to Lancaster General Hospital to undergo a forensic medical examination (Appendix E).

3. PREA Compliance Manager’s Responsibilities After Receiving a Report of Abuse
   a. After receiving a report of abuse from the Security Supervisor, if the abuse occurred within a time period that still allows for the collection of physical evidence or if the incident involves possible criminal conduct, the PREA Compliance Manager must immediately contact the Lancaster City Police or the Lancaster County District Attorney’s Office (See Appendix D). The PREA Compliance Manager should then notify the PREA Coordinator and the Warden of the referral.
   b. If the abuse did not occur within a time period that still allows for the collection of physical evidence and the allegation does not involve criminal conduct, the Prison may conduct an internal administrative investigation pursuant to Section XI(a) of this Policy. The PREA Compliance Manager must notify the PREA Coordinator and the Warden that an allegation was received, and must keep these individuals apprised of the status of the investigation.

e. Preservation of Ability to Protect Inmates from Contact with Abusers: The County will not enter into a collective bargaining agreement or renew a collective bargaining or other agreement that limits the County’s ability to remove alleged staff sexual abusers from contact with inmates pending outcome of an investigation or determination of whether and to what extent discipline is warranted. §115.66(a),(b)

Said monitoring will include reviewing inmate disciplinary records and housing or programming changes.
      2. The PREA Counselor will interview an inmate covered by this section at least two (2) times a week for the first four (4) weeks after the report is made, and at least one (1) time per week for the following nine (9) weeks to ensure that retaliation is not occurring.
      3. After the thirteen (13) week period, monitoring will be terminated unless the PREA Counselor determines that it is necessary for monitoring to continue.
      4. The PREA Counselor will complete the retaliation monitoring form, which is attached to this Policy as Appendix P, after each contact with the inmate or review of the inmate’s file pursuant to this Section. Retaliation monitoring forms will be maintained in the inmate’s behavioral file.
   iii. Staff Monitoring §115.67(b),(c)
      1. Staff monitoring will be conducted by the Shift Commanders. Any staff member who reports sexual abuse or harassment of an inmate or who cooperates in a PREA investigation as a witness will be monitored for a period of at least thirteen (13) weeks to ensure that he or she is not retaliated against in any manner by

vi. The obligation to monitor under this Policy will terminate if the Prison determines that the allegation is unfounded. §115.67(f)

XI. INVESTIGATIONS

a. Criminal and Administrative Agency Investigations

i. An administrative and/or criminal investigation conducted in accordance with PREA standards must be completed for all allegations of sexual abuse and sexual harassment. Upon receipt of an allegation of sexual abuse or harassment, the Prison will have thirty (30) days to complete an administrative investigation. §115.71(a),(b)

ii. The PREA Compliance Manager may enlist the assistance of any of the Lieutenants or the Prison’s Investigator, to conduct administrative investigations, provided that the individual selected has completed the training required by Section (VII)(d) of this Policy.

vi. During an investigation, the credibility of an alleged victim, suspect, or witness must be assessed on an individual basis and may not be determined by the person’s status as an inmate or a staff member. No inmate will be required by the Prison to submit to a polygraph examination or any type of truth telling device, as a portion of the investigation. §115.71(e)
vii. If the assigned investigator determines that the investigation will not be completed within thirty (30) days, the investigator must contact the Warden and request an extension. If the extension is granted, the investigator must provide periodic status updates to the Warden and the PREA Compliance Manager until the investigation is complete.

viii. Upon completion of the investigation, the investigator or his designee must issue an Investigative Report which will include a determination of whether the allegation is substantiated, unsubstantiated, or unfounded. The Report must be uploaded to the PREA Investigative and Reporting Module, and the results of the investigation must be documented on the Module. §115.71(f)

ix. If the allegation is substantiated and the allegations involve possible criminal conduct, the Investigative Report will immediately be forwarded to the Lancaster City Police or the Lancaster County District Attorney’s Office (See Appendix D). If the report is substantiated but does not involve possible criminal conduct, further discipline and correction action will be administered pursuant to this Policy.

x. If the allegation is unsubstantiated or unfounded, no disciplinary action will be taken. Corrective actions may still be taken to prevent future incidents as identified in the Investigative Report.

xi. All Investigative Reports made pursuant to this Section will be retained by the PREA Compliance Manager for as long as the alleged abuser is incarcerated by the Prison or employed by the County, plus five (5) years. §115.71(j)

xii. The departure of the alleged abuser or victim from the employment or control of the Prison or the County will not provide a basis for terminating the investigation. §115.41(j)

xiii. When outside agencies investigate sexual abuse, the Prison will cooperate with outside investigators and attempt to remain informed about the investigation. §115.71(1)

b. Evidentiary Standard for Administrative Investigations: The Prison will impose a "preponderance" of the evidence standard in determining whether allegations of sexual abuse or sexual harassment are substantiated. §115.72

c. Reporting to Inmates

i. At the completion of an investigation into an inmate’s allegation that he or she suffered sexual abuse while incarcerated at the Prison, the PREA Compliance Manager will inform the inmate whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded. If the investigation was conducted by the Lancaster City Police or the Lancaster County District Attorney’s Office, the PREA Compliance Manager will request relevant information from the investigative agency in order to inform the inmate. §115.73(a),(b)

   2. The Agency learns that the alleged abuser has been convicted on a charge related to sexual abuse within the Prison. §115.73(d)(2)

iv. All notifications made pursuant to this Section must be documented on a Situation Report which will be placed in the inmate’s Behavioral File. §115.73(e)

   i. The Lancaster County Prison has zero tolerance for any staff member that violates this Policy as it pertains to sexual abuse and harassment. Any staff member engaging in sexual abuse or harassment of inmates, or that has engaged in sexual abuse of inmates in the past, will be terminated. Disciplinary actions for violations of this Policy other than engaging in sexual abuse or harassment will be issued as outlined in the Lancaster County Human Resource Department’s Policies and Procedures Manual. Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse. Sanctions for violations of this policy other than sexual abuse will be imposed based upon the severity of the incident, the staff member’s disciplinary history and past precedent of sanctions implemented at the Prison for similar violations. §115.76(a),(b)
   ii. All terminations for violations of this Policy, or resignations by staff members who would have been terminated pursuant to this Policy if not for their resignation, will be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies. §115.76(c)

b. Corrective Action for Contractors and Volunteers: The Prison has zero tolerance for any contractor or volunteer who engages in sexual abuse or sexual harassment. Any contractor or volunteer that engages in such activity will be banned the Prison. For violations of this Policy other than engaging in sexual abuse or harassment, the Prison will take appropriate remedial measures, including prohibiting the contractor or volunteer from having any further contact with inmates. §115.77

c. Disciplinary Sanctions for Inmates
i. The Prison has zero tolerance for any inmate who is found to have engaged in sexual abuse or harassment. Any inmate that violates these policies will be subject to the following:
   1. Disciplinary sanctions as outlined in the General Rights and Responsibilities document (Appendix L). Sanctions will take into consideration the nature and circumstances of the offense, the inmate’s disciplinary history, and the sanctions imposed for comparable offenses by other inmates with similar histories. The disciplinary process will also consider whether an inmate’s mental disability or mental illness contributed to his or her behavior when determining what sanction should be imposed. §115.78(a),(b),(c)
   2. Referrals will be made, as appropriate, to PrimeCare Medical for the perpetrator for mental health treatment and counseling. §115.78(d)

ii. Inmates are subject to disciplinary sanctions for contact with staff if, upon investigation, it is determined that the staff member did not consent to the contact. §115.78(e)

iii. No inmate will be subject to disciplinary sanctions for filing a report of sexual abuse or sexual harassment made in good faith based upon a reasonable belief that the alleged conduct occurred, even if that report ultimately unsubsstantiated or unfounded. §115.78(f)

iv. Sexual contact between inmates at the Prison is strictly prohibited, however, such contact is not considered sexual abuse unless the activity is coerced. §115.78(g)

XIII. **MEDICAL AND MENTAL CARE**

a. Medical and Mental Health Screenings; History of Sexual Abuse

i.
